PREVIOUS WORK

Soundcrash 2012 - 2014 Live Music Photography

For fun and bucks I photographed musicians at Soundcrash and other music events in London

Jack The Giant Slayer 2011 On Set Work Experience

Shadowing Tom Sigel under the direction of Bryan Singer, managing to do a little more than just getting drinks for everyone, I jammed the time-code a few times, wrapped some cables, and gained a valuable insight into big productions

Portobello Film Festival 2007 Front of House / Projectionist Assistant

I worked closely with the organisers of the festival helping with publicity, at front of house & with the projectors.
