## QUICK FACTS

14

Years of DIT experience

100's

of companies have trusted in me

2000+

Days on-set as a DIT

55

Camera systems and counting

## MY OBJECTIVES

To take on the mantle of being the key that binds the vision of the DP and Director with the requirements of production and post. To remove all unknowns in the integration of cameras, workflows and craft, allowing creativity to thrive unabated by technology.
