PROFILE

Conrad Pastucha Russell is an experienced Gaffer with a strong track record across high-profile commercials, scripted television and music promo's. He has established long-standing working relationships with leading DOPs and production companies, consistently delivering on productions up to Band 2 TV Drama. Conrad brings extensive knowledge of power distribution, LED and traditional tungsten systems, and wireless DMX operation — alongside the leadership required to drive a lighting crew efficiently under time and logistical pressure, both on location and in studio environments. Having worked across locations such as the fjords of Norway, cruise liners in Cape Verde and deserts of Fuerteventura he has the experience to tackle any location.
